Financial Analyst

Hiring organization
Karncy

Employment Type
Full-time

Job Location
Hyderabad

Description

We are looking for a Financial Analyst with 5–8 years of experience in NBFCs, MSME lending, or financial services. The candidate should have strong expertise in financial analysis, credit assessment, financial modelling, and evaluating MSME business financials.

Responsibilities

- Analyse financial statements, balance sheets, and cash flow statements of MSMEs.
- Conduct credit risk analysis and assess the financial health of businesses.
- Evaluate loan proposals, creditworthiness, and repayment capacity.
- Prepare financial models, projections, and valuation reports.
- Perform ratio analysis and assess business performance.
- Support investment decisions through financial research and analysis.
- Prepare MIS reports and financial presentations for management.
- Coordinate with internal teams for financial assessments and due diligence

Qualifications

MBA in Finance from a reputed B-school or recognised management institute

Skills

- 5–8 years of experience in NBFCs, MSME lending, or financial services.
- Strong knowledge of credit analysis, financial statement analysis, and risk assessment.
- Experience in MSME loan underwriting and financial evaluation.
- Proficiency in MS Excel and financial modelling.
- Strong analytical, problem-solving, and communication skills.
